

## About Proceedings

Authors are invited to submit original papers not previously published nor submitted in parallel for publication to any other conference, workshop or journal. All submitted papers must be anonymous, with no author names, affiliations, acknowledgements, or obvious references. Submissions should be in English, as a PDF file with all fonts embedded, in the Springer format. Papers should not exceed 16 pages in LNCS style including the bibliography but excluding well-marked appendices (no more than 18 pages in total). Submitted papers may risk being rejected directly without consideration of their merits if they do not follow all the above submission instructions.

Accepted papers will be presented at ICSDP 2022 and included in the Springer IFIP series publication, scopus indexed (IFIP Event No.04683). Please note that at least one author of each accepted paper should register with full rate to the conference and give a presentation at the conference. Failure to register or absence from the presentation will eventually make your paper NOT being included in the conference proceedings.

SSN COLLEGE OF ENGINEERING

# International Conference on Security and Data Privacy (ICSDP-2022)

December 14-15, 2022

## About the Institution

Sri Sivasubramaniya Nadar College of Engineering (SSN CE), founded by Dr. Shiv Nadar, Chairman of HCL Technologies, is a philanthropic venture to give back to the society that nurtured him. SSN CE has been highly ranked and very reputed educational institution in Tamilnadu, India, stands out as a premier centre of higher learning with a mission of pursuing excellence in education and research. The institution, with their diverse and dynamic community of students, offer a distinctive combination of some of the finest graduate, undergraduate and research programs, accomplished faculty, world-class facilities and a residential campus set on a sprawling 250 acres of sylvan surroundings. SSNCE is accredited by National Assessment and Accreditation Council with A+ grade. National Board of Accreditation (NBA, AICTE, New Delhi) has accredited 7 UG and 4 PG programs. Within a span of 24 years, SSN has grown into one of the top educational institutions in the country and becomes an autonomous institute in the year 2018. Some of the salient features of SSN are: Ranked 48th in Engineering Category and 83rd among all educational institutions in India Rankings 2022 by NIRF, MHRD; The state-of-the-art infrastructure with over 1.8 million square feet of buildings; Spacious hostels, sports facilities and faculty quarters within the campus; A student body of 4300+ students, 500 Ph.D. scholars and 280 faculty members, 75% of whom are Ph.Ds

## About the Department

The Department of Computer Science and Engineering offers B.E degree program in Computer Science and Engineering and M.E degree programs in Computer Science and Engineering, and Software Engineering. The Department has well-qualified and dedicated faculty. It is recognized as a research centre by Anna University, Chennai, for doing Ph.D. The Department has organized several AICTE-STTPs, Faculty Development Programmes, National and International Conferences.

## Objectives

The conference provides an opportunity for the researchers, engineers, developers, and practitioners from academia and industry to discuss and address the experimental, theoretical work and methods in solving problems related to data security and privacy.
